Dayton Unit NAACP

2016 Annual Report

Core Goals: Inform, Educate, Empower

Derrick L. Foward, M.C.E., President

Message From The President:

Dear NAACP Members, Constituents, Church, Community and Business Leaders:

First giving Honor and Praise to our Lord and Savior Jesus Christ who is the head of my life, because without him, we could do nothing.

I want to publicly thank the entire Dayton Unit NAACP Family for the exemplary work you have accomplished, garnering the 2nd Place Thalheimer Award for Outstanding Programs and the 2nd Place Thalheimer Award for Outstanding Publications at the NAACP 107th Annual Convention in Cincinnati, Ohio. These are the highest awards any Unit can receive from the NAACP. These awards were given to us for our programming and activities in the year of 2015. In fact, this is the fifth year in a row that we have received the Thalheimer Award.

“Teamwork Makes the Dream Work.”

From a proactive standpoint, our Standing Committee Chairs educated close to 800 Dayton residents about issues ranging from, ***“Deciding When to Use Less-Lethal Devices to Consequences of Life’s Choices”*** to ***“The State of Dayton Public Schools to Are Chambers of Commerce Ensuring Our Future Prosperity,”*** from ***“Family Dentistry: Birth to Elderly Years”*** to ***“Let’s Get Our Houses in Order,”*** we continue to ***Inform, Educate*** and ***Empower*** the Citizens of our community.

Our membership continues to grow, ending the year of 2016 as the 2nd largest Unit in the State of Ohio only behind Cleveland. Our online activists have grown to an impressive 4,880 Facebook Fans (***Dayton Unit NAACP***) which is up 6.92% versus previous year. Our goal is to have more than ***10,000 online activists*** by December 31, 2017.

Become our friend and follow us on Facebook so we can keep you updated on the latest advocacy work coming from our office. We conducted 7 TV shows, highlighting topics such as the ***NAACP 21st Century Game Changers Conversation with Democrats and Republicans, Committee Chair Updates, Arms Services and Veterans Affairs, Annual Meeting*** and other areas of interest. We investigated 171 cases, down 28.57% versus the previous year.

It was truly a blessing to establish the historic ***“Move Foward Thurgood Marshall NAACP High School Chapter,”*** officially chartered by the NAACP Board of Directors on February 20, 2016. This is the first high school chapter in the history of the State of Ohio.

We wish everyone a Blessed, Safe, Prosperous and Happy New Year. I am convinced that if you keep God first, you will receive the desires of your heart. To my Cabinet, I truly appreciate your continued support. Stay Blessed!!!
“Our Success Is Influenced By Your Actions (DLF).”

Your community servant,

Derrick L. Foward, M.C.E.
President

Your recent communications with the Dayton Unit of the National Association for the Advancement of Colored People (NAACP) has evidenced racial insensitivity with a subtext that seems to be an invitation toward violence. As you may be aware, we are a multi-racial, multi-generational, multi-cultural civil rights organization that abhors violence while trying to work within our Country's legal system to extend civil rights for all communities.

We are open to having civil exchanges, with people and groups that may disagree with us, but we cannot accept racially inflammatory emails, voice messages, letters or any other type of communications with such cowardly intent.

We take your messages seriously, and have contacted the police in that regard -- filing report number 160380095, memorializing our belief that it was your intent to intimidate and threaten our organization.

Please cease and desist the above outlined attacks immediately or we will be left with no recourse other than to turn these messages over to the FBI and the Department of Justice for further action.

To be clear, murder is wrong no matter who (Black, White, Latino, Asian, Police, Everyday Citizen) commits it and the violator should be held accountable for their actions period.

Once again, we welcome and are open to civil dialogue to educate people about the work of the NAACP and the contributions were have made on behalf of the American people for over a century. To start the educational process, attached is a picture of the founders of the NAACP.

In closing, the lives of ALL Americans matter and are precious to the NAACP. This is why we have fought multi-racially, multi-culturally and multi-generationally for 107 years nationally and 100 years locally to protect the Civil Rights of ALL Americans.

Have a Blessed Year of 2016!!!

**Dayton Unit NAACP Town Hall
“Community Dialogue on Judicial Reform”**

The Dayton Unit of the National Association for the Advancement of Colored People (NAACP) hosted 2 Town Halls titled, “*Community Dialogue on Judicial Reform.*” The first listening session was held on Wednesday, July 13, 2016 at 6:00 p.m. at Greater Allen A.M.E. Church located at 1620 W. Fifth St in Dayton, Ohio. The second listening session was held on Thursday, July 14, 2016 at 7:00 p.m. at Greater Friendship Missionary Baptist Church located at 4475 Old Troy Pike in Huber Heights, Ohio. The distinguished guest speakers were Citizens of Montgomery County, Ohio who has been personally involved with or has keen knowledge of the Judicial System. The moderator was Tom Roberts, 3rd Vice President and Chair of the Dayton Unit NAACP Political Action Committee.

Are the scales of justice equal for *ALL* Americans? Does sentencing disparities still exist in today’s society? If you were not able to afford a lawyer, did a public defender ask you to take a plea deal for a crime that you did not commit? Do you personally know someone serving time that is innocent? “These are just a few questions that have surfaced during our preparations for these listening forums,” said Derrick L. Foward, President of the Dayton Unit NAACP. As of July 5, 2016, there were 894 inmates in the Montgomery County Jail of which 347 or 38.81% were African Americans. This percentage equates to nearly a 17% point increase versus the population of African Americans (22.3%) living in Montgomery County, Ohio,” said Foward. During this same time period, there were 48 youth detained in the Montgomery County Juvenile Detention Center of which 34 or 70.83% were African Americans. “The comments we hear at these community forums will help in our future Judicial Reform efforts,” said Roberts.

ACT-SO Impact Statements

“ACTSO has been such a blessing . . . I loved the time I spent in ACTSO because it helped me better myself, so I’m always ready for a challenge in my field of creativity. Thank you so much ACTSO! “

~ Christina Streaty

“ACT-SO has help give myself a higher set standard for myself as a growing young musician towards what I want to achieve personally in my development. This program has led me into collaborating and influencing my ideas into new spectrum's of my art that I would have never thought of doing so early in my young music career.”

~ Craig Jackson

“When I first joined ACT-SO I thought it was just another competition where I had to win and be better than everyone . . . it is not just about winning or being better than the next person. It is the experience within its self. In ACT-SO it is about an atmosphere of amity, respect, and getting to know one another . . .”

~ Kierre Dewberry

“ACT-SO is an awesome program that allows me to participate in an extracurricular activity, learn, and advance in the skills required to succeed in the future. I have been taught academic and non- academic lessons through ACT-SO. We have been taught to take ownership of ourselves and to help others in need. We are always reminded of a significant, “I am my brother’s keeper”. This has a very deep meaning that we should not be selfish and self-serving, but help everyone around us.”

~ Casey Turney

President's Briefing:

***Dayton Unit NAACP President Host Town Hall
"Consequences of Life's Choices"***

The Dayton Unit of the National Association for the Advancement of Colored People (NAACP) hosted a Town Hall entitled ***"Consequences of Life's Choices."*** The event was held on Monday, February 22, 2016 at 6:30 pm at the Dayton Boys Preparatory Academy located at 1923 W. Third St. The distinguished guest panelists included Richard Bruton, Jr., Member of Tabernacle Baptist Church; Joseph McCutcheon, Member of Omega Baptist Church; Rolen Jackson, Member of Macedonia Missionary Baptist Church; Bishop Mark C. McGuire, Sr.; Senior Pastor of The Potter's House-Dayton International Ministries; and Herman Sutton; Member of The Potter's House-Dayton International Ministries. The moderator was Derrick L. Foward, President of the Dayton Unit NAACP.

From 2010 – 2015 there have been 177 homicides in the City of Dayton of which 146 or 82% of the homicides were African Americans. Out of the 146 homicides, 123 or 84% of them were black males. There has not been an arrest in every homicide during this time period however, there were 79 arrests made that were associated with these homicides of which 64 or 81% were black males. This means that 187 black males were taken out of their families lives for a period of time, some much longer than the others. This trend is definitely going in the wrong direction and must be dealt with very swiftly. "If Black Lives Really Matter, let's be the first to set the example in our own community," said Derrick L. Foward, President of the Dayton Unit NAACP.
