Subject: Ice cream is awesome. This is disgusting.

This is Ben Cohen and Jerry Greenfield, but you probably know us better as Ben and Jerry, the ice cream guys.

Back when we were running Ben & Jerry's, we'd spend our winters brewing up new flavors for the spring and summer ice cream rush, but these days we're preparing for something that, in these dark times, is even more mouthwatering—the biggest demonstration ever against *Citizens United*, one of the worst Supreme Court decisions in American history that opened the floodgates to money in politics.

As we reflect on the past year of the Trump administration, including the recent passage of the GOP's terrible tax scam, one thing is very clear: Now more than ever, it's Big Money vs. the rest of us.

Which is why we've partnered with MoveOn to offer you a way to speak out against Big Money a thousand times over: by (totally legally) helping you stamp your dollar bills with the message "Stamp Money Out of Politics." And we want to make January 21—the anniversary of *Citizens United*—the

biggest day of stamping ever. Will you join in?

Each marked bill is on average viewed 875 times, and this is a protest that will live on because the stamped bills stay in circulation for two and a half years. Already, nearly 3,300 people have pledged to stamp over 1.4 million bills in the week leading up to January 21. We're aiming to have 2 million bills stamped, which is why we need your help.

As we face another year with Trump in the White House, it is now more important than ever before that we stand up for (and stamp!) our beliefs, visibly and often.

Because the reality is that getting Big Money out of politics is the first step to achieving so much of our progressive agenda.

Because it's Big Money that wrote that outrageous tax bill. It's Big Money that's behind opening up the Arctic National Wildlife Refuge to oil drilling. Big Money tried to kick tens of millions of Americans off of health care. Big Money just rolled back Net Neutrality.

Big Money needs to get out of politics. Can you help us make this message reverberate more powerfully than ever before? Chip in \$15 or more to MoveOn now to receive your stamp and join the movement! You must order by January 10 to have your stamp delivered on time for our big day of stamping on January 21.

Don't forget, stamped bills get seen hundreds of times, and who knows who might see them—maybe a member of Congress or even a certain someone in the White House! Can you imagine how that would play out?

[Click here now to chip in \\$15 or more to MoveOn, get your stamp, and be entered in the contest to win a year's supply of delicious ice cream!](#)

Now, if you'll excuse us, we're going to go grab some ice cream—and then we've got some stamping to do.

P.S. Here's a picture of what a dollar bill looks like after it's stamped! Cool, right?

Want to support MoveOn's work without getting a stamp? The MoveOn community will work every moment, day by

day and year by year, to resist Trump's agenda, contain the damage, defeat hate with love, and begin the process of swinging the nation's pendulum back toward sanity, decency, and the kind of future that we must never give up on. And to do it we need your ongoing support, now more than ever. **Will you stand with MoveOn?** [Donate monthly](#) or [make a one-time gift](#)
